Necessary Abilities:

- ☐ Climbing ☐ Carrying Luggage
☐ Swimming ☐ Biking
☐ Hiking/Long-Distance Walking ☒ Other (Specify Below)

We'll walk up and down the pyramids, which may pose a challenge to anyone in poor physical shape.

For information on vaccination and medication, please read over the [CDC country page](#) for the countries to be visited during this program. Please list any indicated vaccinations or medication needed for travelers:

Medication to deal with potential diarrhea or dehydration may come in handy, but it's all available and cheaper at the local drugstores.
