**Program Description**

This GSU Faculty-Led program will explore the economic and business environment in South Africa through an interdisciplinary lens. Exploring the socio-political & economic implications of Apartheid, industry & the HIV/AIDS epidemic prior to departure will help students contextualize their experience in country and will be reinforced by cultural visits. Visits to cultural sites include: the Apartheid Museum, Constitution Hill, Robben Island, and Soweto Township.

Through a series of lectures, discussions with industry and public officials and site visits, students will examine South Africa’s emerging market. These visits will also allow students to conduct their own research into the economic & business environment of South Africa. Previous site visits have included: the Department of Trade & Industry, Brand South Africa, Eskom, Stellekaya Winery and Ogilvy & Mather, among others.

Students will also have the chance to experience the natural beauty of South Africa by going on a game drive at Kruger National Park in hopes of spotting the Big Five, riding a cable car to the top of Table Mountain & driving along the coast to the Cape of Good Hope.

An important feature of the program is that it allows for significant interactions with South African university students. This allows our students to share their ideas and to gain an appreciation of South African perspectives. Time is split between the Pretoria-Johannesburg Area and Cape Town.

**Accommodations**

Students will stay in comfortable, double-occupancy rooms in both the Johannesburg/Pretoria and Cape Town areas. Additionally, the program includes a stay at Lesedi Cultural Village, a tribal-inspired eco-lodge with modern amenities and at a game park lodge.

**Application Information**

The program is open to undergraduate and graduate students who meet all academic requirements of Georgia State University, and those of the Colleges in which this program may be offered as an elective or requirement. Students interested in applying should find this program’s listing at mystudyabroad.gsu.edu and begin an online application.

**Transient Students:** please see the Transient Student tab on the How to Apply page on our website: mystudyabroad.gsu.edu/prospective/how-to-apply

**International students** at Georgia State who hold F-1 visas must contact the Office of International Students and Scholar Services at (404) 413-2070 to discuss possible implications of study abroad for their immigration status.

**Application Deadline:** January 31, 2017
