

SOUTH KOREA: EWHA WOMANS UNIVERSITY

Academic Exchange Program: Fall/Spring/AY

Sponsored by the College of Arts & Sciences and the Department of Political Science

The Program

Experience Seoul, Korea, one of Asia's most high-tech and modern cities. A complex blend of both Western modernism and traditional Eastern culture, Seoul is a city of contrasts that offers many unique experiences. Ewha Womans University is the largest womans university in the world and one of the top universities in Korea. Located in one of Seoul's fashionable sections, it has a beautiful campus with state-of-the-art libraries, museums and student facilities. Its well established international exchange program offers many classes taught in English that GSU exchange students can take for credit toward their degree at Georgia State University. Ewha also offers Korean language courses at all levels. Although it is a womans university, both men and women are admitted into Ewha International Co-Ed Programs.
