Program Description for Faculty-Led Programs

Name of Program: Hungary & Czech Republic: The Case of Eastern Europe

Name of Program Director: Profs. David Bruce and Pedro Carrillo (Paula Huntley)

Location of Program: Hungary and Czech Republic

Dates of Program: August 1-15 2015

This program will take place in both Hungary and Czech Republic. While in both countries, we will be in an urban setting. The average temperature in both countries during this time period is 61-70 degrees (F). We will have ground transportation in both countries, and walking will be minimal.

No vaccinations are required for this particular study abroad program.
