

STUDY ABROAD PROGRAMS

Spring 2024 Study Abroad Programs Peer Advising

Scheduling Instructions: Email a peer advisor with questions or topics you would like to discuss. NOTE: Please email only one peer advisor.

Erin Obarowski

Contact: Email me at eobarowski1@gsu.edu

Hey! My name is Erin! I am currently a senior here at GSU pursuing a Bachelors of Interdisciplinary Studies in Environmental Science and minoring in Geosciences. I've had the opportunity to study abroad 2 times during my college career. I studied Sustainable Urban Planning in Copenhagen, Denmark during Summer 2022 and I was a full-time student at the University of Brighton with USAC taking environmental science courses during Spring 2023. Studying abroad was a life-changing experience for me academically and personally. So, I would love to meet students who also have a strong interest in furthering their college career abroad!

Dina Asamoah-Boateng

Contact: Email me at dasamoahboateng1@gsu.edu

My name is Dina Asamoah-Boateng, and I am thrilled to be a part of the Study Abroad programs department as a new hire. Currently pursuing my master's degree in Actuarial Science at Robinson College, I am currently in my second semester. I am originally from Ghana, I moved to Atlanta in August to pursue my master's degree. I look forward to contributing to the success of the team and learning from the wealth of experience within Office of Initiatives.

Amy Juni

Contact: Email me at ajuni1@gsu.edu

Hi! My name is Amy and I am currently doing my master's in actuarial science. I'm from India, but I was born and brought up in Kuwait until I moved to the US for college. I have been an international student at GSU for 5 years now and know what it's like to study abroad and experience a new country. I have made many friends and memories while being here and learned to be confident and self-sufficient. Studying abroad is a very exciting experience so I would be happy to help interested students get started!
